

MONTREAL - WITH DENVER MANUAL BURNER

MONTREAL 800 mm - Front - Manual

This minimalist Montreal built-in fireplace, with a front-facing opening, is equipped with the classic manual burner. Manual operation – no electronics. Also available in a variety of configurations and with alternative burner options. Designed and produced in Denmark. Ideal as a stylish focal point for modern interiors.

OPERATION

The flame is manually controlled using the included shutter tool, which is also used to safely extinguish the fireplace.

MANUAL FILLING

Use the tap included with the bioethanol container. An External Fuel Pump is available as an optional upgrade for easier handling."
